How To Join A Team

Navigator

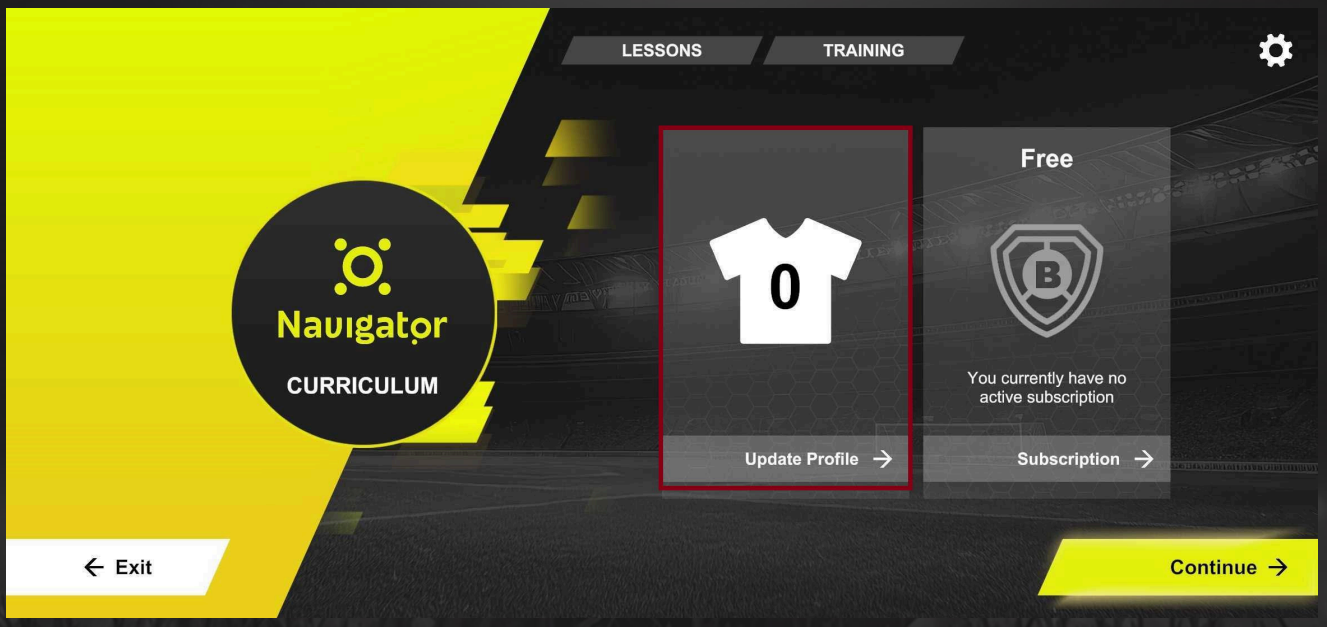
First, make sure you have the latest version of the Football Navigator app installed. You can download it from your mobile app store—Google Play on Android or the App Store on iOS. You can also scan the attached QR code with your device's camera to go directly to the app's store page.

Navigator

Once you have downloaded the **Football Navigator** app, open it and select **'Curriculum'** and press **'Continue'** (see attached image).

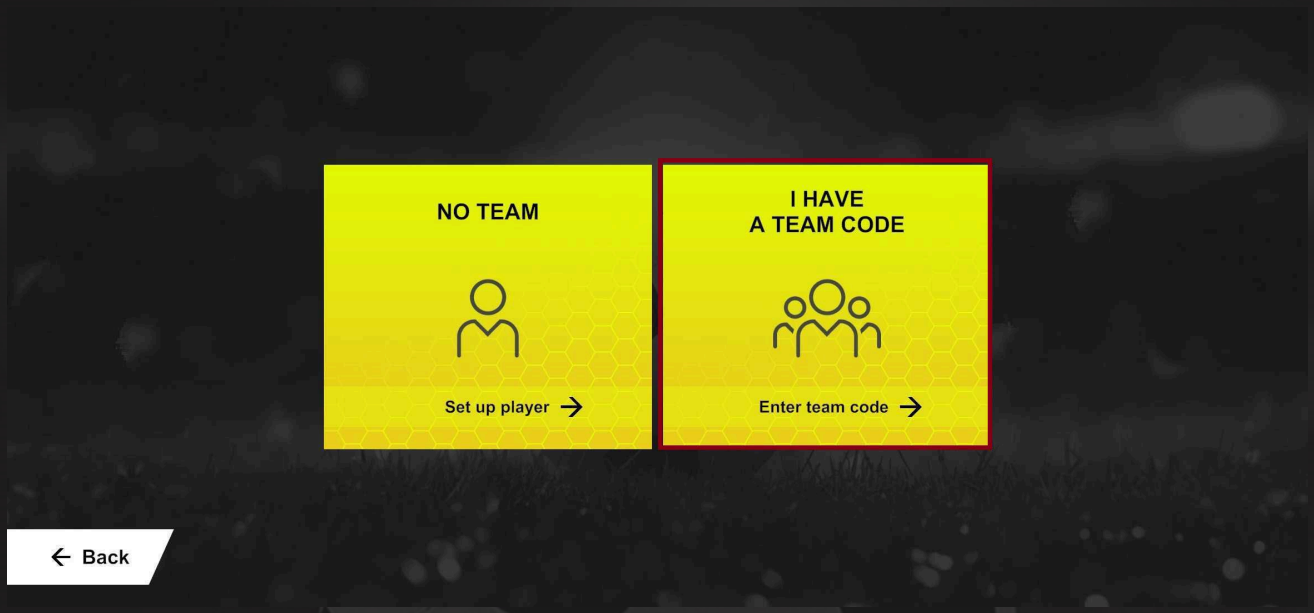
Navigator

After opening the **Curriculum** section, you will be taken to the Curriculum home screen to begin the process of joining a team. As shown in the image below, please press the “Update Profile” button outlined in **Red**.

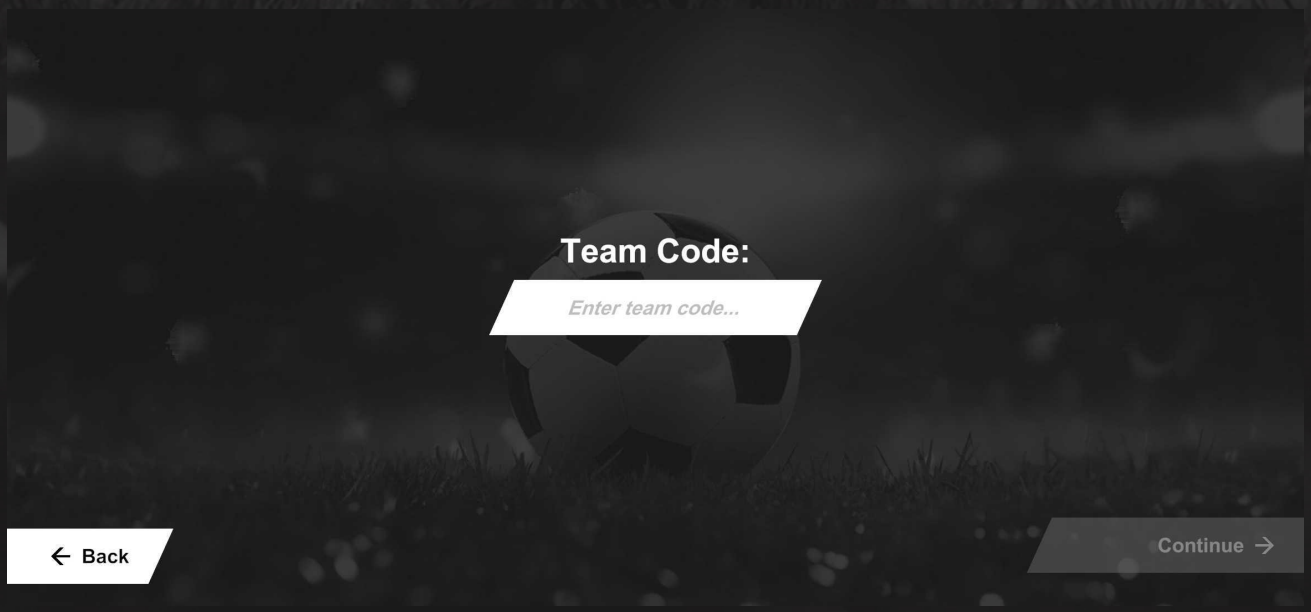


Navigator

Next, select the option indicating that you have a team code (this code will be provided by your coach).

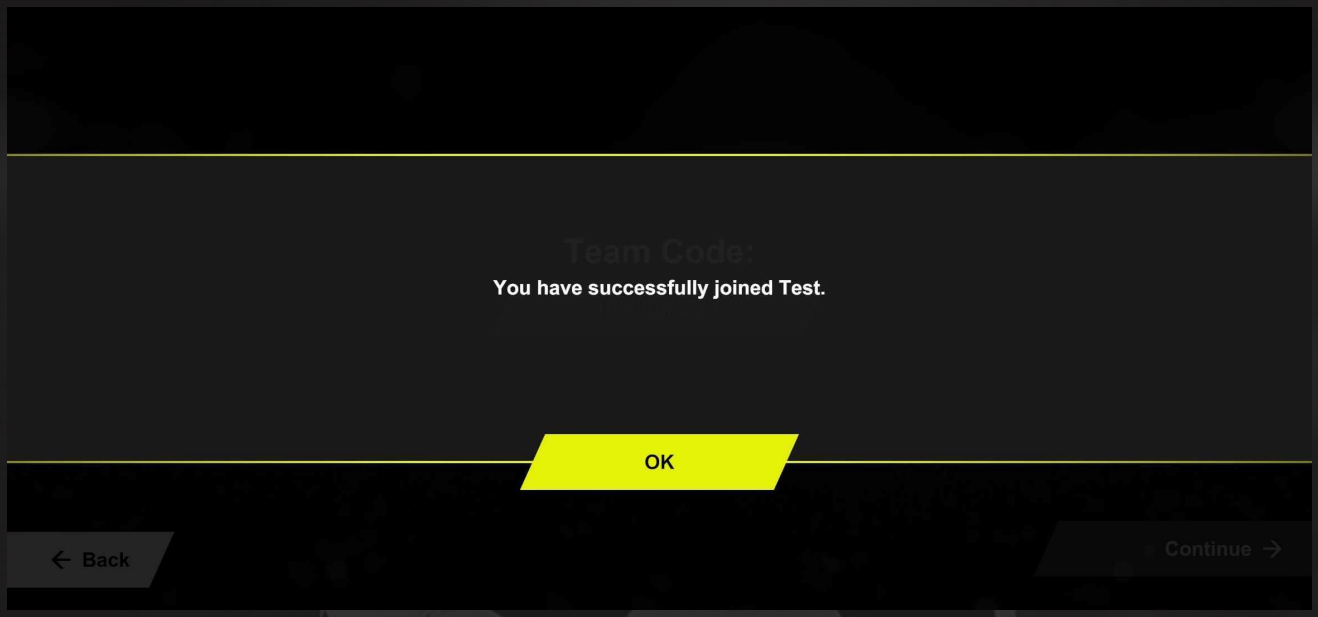


Once selected, you will be taken to the screen shown below, where you can input your specific code.

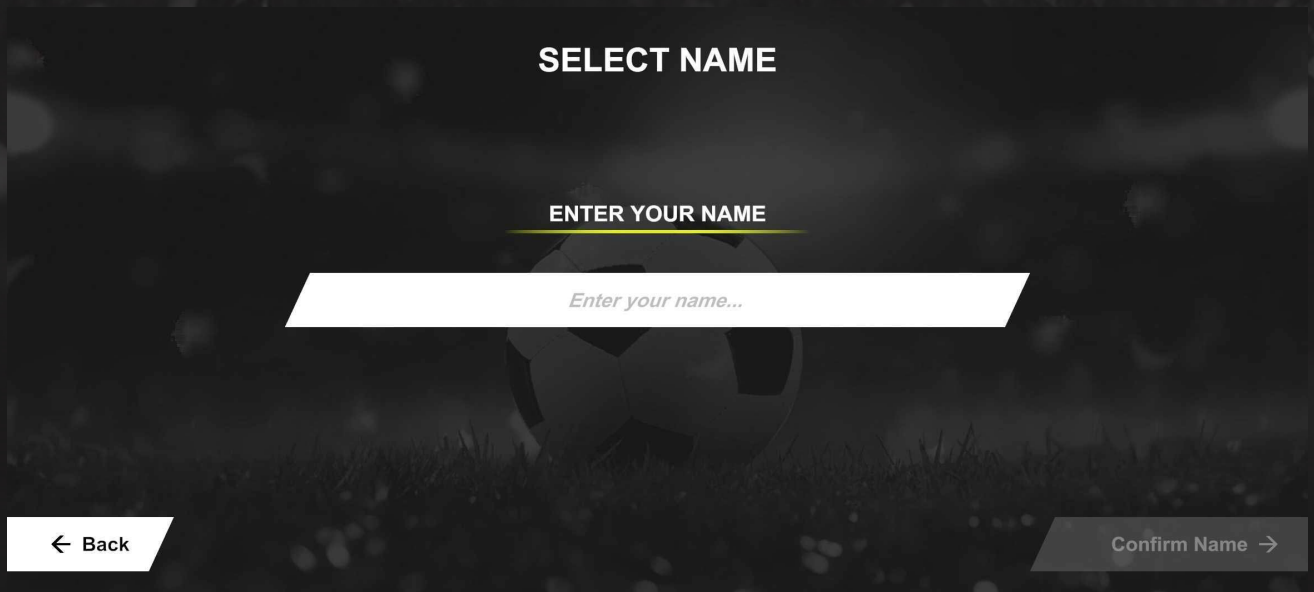


Navigator

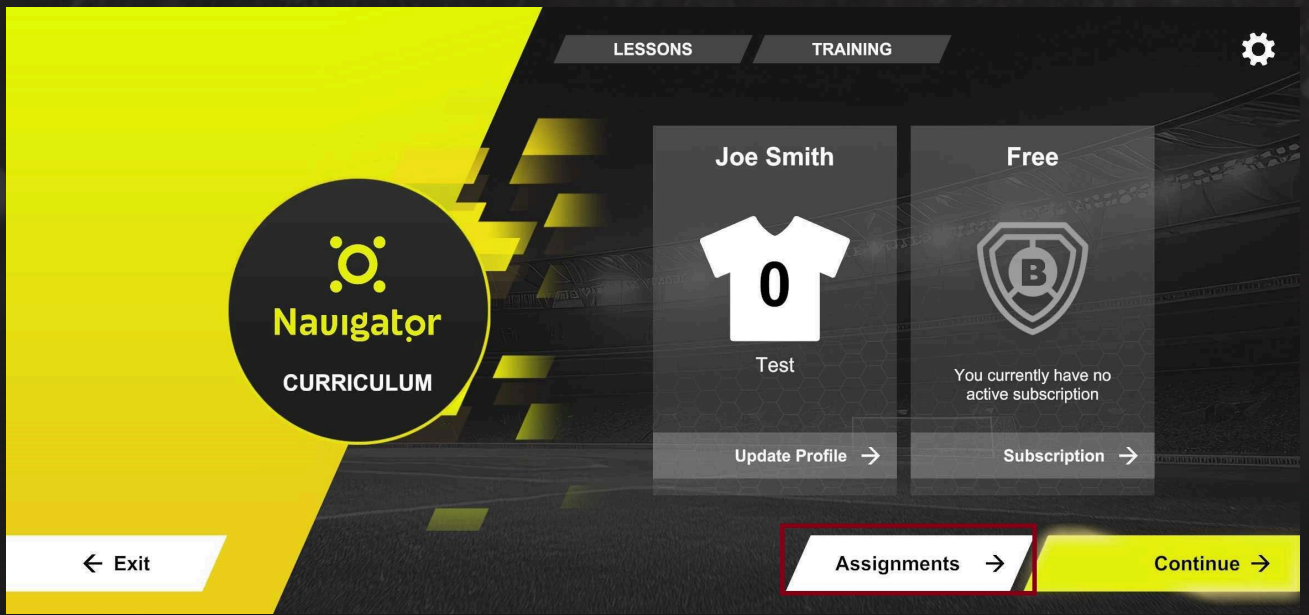
Once you have joined a team, a confirmation pop-up will appear, as shown in the image below.



You can then continue and enter the name you would like your coach to identify you by.



Navigator

After entering your name, you will be prompted to pick your shirt number.


Once selected, you have completed the team-joining process! You will then be returned to the home screen, where you can view the assignments your coach has given you.
